

MASTER OF SCIENCE IN FINANCE (M.S.)

Purpose

The Master of Science in Finance program serves to equip graduates with core elements of organizational financial decision-making, accounting analysis, business evaluation, and investments. The objective is to develop the values and financial knowledge, expertise, and skills, within the Christian worldview, that are essential to guide individuals and organizations to meet their financial goals.

Program Learning Outcomes

The student will be able to:

- Develop proposed strategies based upon financial statements or various financial tools.
- Articulate the application of financial principles within a Christian worldview.
- Apply various financial concepts based upon research, knowledge of the literature, and industry best practices.

Program Specific Admissions Requirements

In addition to the general admission requirements, admission to the M.S. in Finance program requires:

1. Earned baccalaureate degree or its equivalent from an institution accredited by an agency recognized by the U.S. Department of Education (e.g., SACSCOC, TRACS, ABHE, etc.)
2. An undergraduate cumulative GPA of 3.00 or above (on a 4.00 scale)
3. TOEFL (if applicable)
