

COMMUNITY HEALTH PROMOTION GRADUATE CERTIFICATE

Purpose

This certificate program is for individuals wishing to impact the world for Christ through the ministry of health. The certificate can be used as a step toward a graduate public health degree which will enhance the professional preparedness of those interested in community health promotion. Physicians, nurses, health educators, lawyers and social workers are among the many professionals who have benefited by augmenting their knowledge and skill base with advanced health promotion studies.

Program Learning Outcomes

The student will be able to:

- Apply Health Education best practices to public health.

Admission Requirements
