# APPLIED MINISTRY MAJOR (B.S.)

### Purpose

The Bachelor of Science in Applied Ministry major prepares individuals for a variety of ministry positions within church and parachurch settings. Careful consideration is given to the influence that the gospel has on life, work, and ministry endeavors. The degree takes a three-prong approach in educating its majors in principles of Christian ministry, basic business management, and Christian counseling.

# **Program Learning Outcomes**

The student will be able to:

- Articulate and biblically justify essential truths of evangelical Christianity.
- Apply key principles, skills and strategies necessary for ministry implementation and management.
- Understand how different fields of study contribute to the work of gospel-centered ministry.

# Program of Study Delivery Format: Online Only

• Applied Ministry (B.S.) - Online

# Areas of Study

Create your own path by combining 2 or 3 unique areas of study while you customize your degree with multiple disciplines.

Complete your core studies with a base of study in divinity, counseling, and business. Then, fine-tune your degree by choosing your specific areas of interest. Select up to three areas of study below to supplement your degree.

#### **Divinity Area of Study (Required)**

Select 9 credit hours from a divinity area of study below:
